Principal's News

It is hard to believe we are turning the calendar to the month of March. Spring is right around the corner, and we look forward to getting outside again to enjoy the sunshine. Spring also brings state testing for 3rd-6th grade students, and we are excited to see the growth they have made this year!

School begins:
8:30 am

Dismissal:
4:00 pm

Office:

Attendance! Attendance! Attendance!

Attendance is an important part of your child's success in school. Please look at the graphic on the back to see how missing just a day or two each month quickly adds up to an extreme amount of lost education. We are quickly approaching TESTING SEASON and we need students to be here so they are prepared to do their BEST!
