Principal's News

Can you believe we are nearing the end of the school year? This year has gone by quickly, but we aren't quite finished yet! We have seen our students grow in stature as well as in academics this year. Next week is a chance for all students to show off their big brains during our iReady testing for Math and Reading. Next week is also a time to celebrate and recognize our AMAZING teachers during Teacher Appreciation Week!!! We want to shower our TERRIFIC teachers this week with kindness, treats, and of course, great behavior!

Have a great and safe summer! See you on August 17th for Open House!
